Tip or Complaint: I am very concerned about the landfill if you get anywhere near this place it's stinks so bad. This is an ongoing problem. I have lived here my whole life and it has never stunk. This is really bad, I feel sorry for the neighbors. Also drove out that way and seen a mountain of garbage from the road with birds flying around it. I have also never seen from that landfill in all these years. Before you barely knew it was there now it is so bad.
